

Base from U.S. Geological Survey topographic quadrangle maps, 1:24,000, Greenbush, and Old Town, Maine

EXPLANATION

GROUND-PENETRATING RADAR LINE (GPR)

- Rock
- Gravel and Rock
- Gravel
- Gravel and Sand
- Gravel and Mud
- Sand and Gravel
- Sand
- Sand and Mud
- Mud and Sand
- Mud

INFERRED

- (Red dotted pattern)
- (Pink dotted pattern)
- (Brown dotted pattern)
- (Light brown dotted pattern)
- (Orange dotted pattern)
- (Yellow dotted pattern)
- (Dark blue dotted pattern)
- (Light blue dotted pattern)
- (Grey dotted pattern)

P1 (circle with dot) Location of sediment sample

SCALE

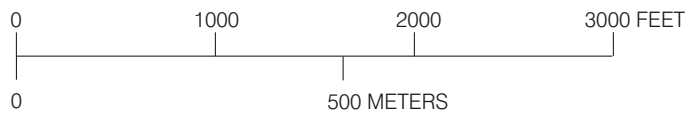

Figure A-3. Streambed sediments near Freese Island, May 1999. (Map location shown in fig. 5).
